

As you are aware this year is very different for the Year 6 children with them being unable to do what previous years have done.

This year, we have arranged for them to have a printed leavers hoodie or Tshirt (or both!) as a farewell memento.

These are in school colours and printed up with the cohorts names within the design on the back.

The Friends of Leen Mills have generously offered to give £5 per child as a contribution to the cost.

This reduces the costs to :-

£11.14 for a hoodie

£2.33 for a T shirt

£18.53 for both a hoodie and a T shirt (this includes the £5 contribution)

Obviously to be able to get these to the leavers before the end of term we need to put an order in ASAP and are therefore asking you to order **before Friday 19th June**.

Payment & ordering is **via ParentPay** and includes the range of sizes to choose from.

Please note by placing an order you are consenting for your child's name to be included on the design. (Those who do not place an order won't have their child's name included).

If you want your child's name to be printed in a different format (such as Will rather than William) please add the request to your order, otherwise names will be as they are on the school register.

We will arrange collection when we have them ready, but this will be within the appropriate social distancing requirements.

Mrs C.Hirst
