Newsletter 6 Autumn Term

12th October 2018

Dear Parents and Carers,

The culmination of the hard work for our choir and BVG over the last few weeks really paid off on Wednesday when they were part of the 'Now the dust has settled' performance. The children performed really well and I have heard lots of positive feedback. Well done to everybody involved in this unique project.

Parents' Evening

Have you signed up for Parents' evening? There are still some appointments left. Dojo your child's teacher to find out more.

On Thursday 25th October, the children will have their individual and siblings photographs taken. The photographer will begin taking photographs from 8:15 am onwards. If you have children in the school, we will make sure that they have a photograph taken together, so there is no need to come early. Please be aware that we do have a lot of children to go through, so, if you have a large family, please don't ask the photographer for multiple poses.

Sports News

It has been a busy week this week. On Monday our handball team came 5th in a tournament. Then on Tuesday, a team of cross country runners took part in a competition with Emma coming 11th out of 120 runners. She will now take part in the county finals.

Book Fayre

The book fayre will be open during Parents' evenings; a great time to stock up on early Christmas presents?

Congratulations to the Tigers and Lions who both collected the most pompoms this week.

Well done to the Leopards and the Tigers, both with an impressive 99% this week.

Next week's value: Pride in Everything
